5 Year Granting Facts

- 102 Projects
- \$1,206,995.00
- Grant Range \$712 - \$55,000

VISUAL GRANT MAP

To further enhance the profile of the CSCF and to enhance the community focus on the benefits of a Community Foundation in its midst, a grant map was created to be used for promotion of the Community Foundation at events. The Community Foundation gratefully acknowledges the Ontario Trillium Foundation who supported this project.

CAMPBELLFORD/SEYMOUR COMMUNITY FOUNDATION a living legacy rooted in the community

Million Dollar Awareness Event

Kira Mees, Vice-President of the Campbellford/Seymour Community Foundation announced the 9 winners of the "Million Dollar Contest" on the Main Stage at the 153rd Annual Campbellford Fair.

Cathy Redden, past Chair asked "What does a million dollars look like" "Is it a stack of dollar bills? "Well I can tell you in this community a million looks a little bit different. It looks like an upgraded ball diamond at Kent School, and a sun shelter at St. Mary's, new lighting and sound equipment at CDHS, an X-ray table in Campbellford Memorial Hospital, 4-H members proudly wearing new outfits at the Royal Winter Fair, signage at the business park, equipment for the Fire Department and local families being able to celebrate weddings, anniversaries and birthdays at the Curling club because they now have enough tables and chairs to accommodate their needs".

The contest took off from there. Local students were asked to think about what one million dollars in their community or school could look like.

The 1st place winners were as follows:

Tom Keat a grade 3 student at St. Mary's Elementary School created a poster of providing funding to charity.

Kristen Foote a grade 8 student at Hillcrest Public School created a poster of the Community Foundation's past Million Dollars in grants to the community.

Zack Ellis created a very artistic winning poster with his idea to continue to invest in the Campbellford Memorial Hospital.

Winners were supplied with fair passes courtesy of the Agricultural Society and BIA Bucks. Visit our website www.cscf.ca for more details.

Winners of the Contest

If I Had a Million Dollars... Grant Celebration

In 2007, the Community Foundation granted \$286,194 for community projects. This brings the 5-year granting total to over \$1.2 million

Partnership Funding

The MURF committee received a grant of \$22,622 from the Community Fund, \$17,000 from the Municipal Fund, \$5,000 from the Northumberland United Way and \$25,000 from the Northumberland Community Futures Development Corporation to pay for the Multi-Use Recreation Facility Feasibility Study at a cost of \$71,410.75.

Bob Bennett accepted the grant certificate on behalf of the MURF Committee

CSCF Obtained a Grant of \$54,600 for 7 Projects in Campbellford Seymour

PHILANTHROPIC SPEAKER AND PROMOTIONAL VIDEO

The Community Foundation partnered with the Campbellford/Memorial Hospital Foundation to co-present Tim Cestnick and Monica Patten, CEO of Community Foundations of Canada at our IT'S A GIFT TO GIVE EVENT held at the Aron Cinema.

A video is being created to showcase the Community Foundation's new case for support "Building Community".

Monica Patten, CEO Community Foundations of Canada meeting with Board Members and Hospital Foundation partners

The Community Foundation has made it easier to donate - you can now log onto our website at www.cscf.ca and donate on-line. Once you click on the button - you can designate your donation to go to one of the following six funds:

- Community Fund
- Centennial Legacy Club Fund
- Environmental Fund
- Ontario Endowment for Children and Youth in Recreation
- The Friends of Wendy Anderson Bursary Fund
- The Northumberland Arts & Crafts - Jan & Evert Scheidt Fund

ENVIRONMENTAL SCAN PROJECT

In response to community interest, the Community Foundation has created an Environmental Endowment Fund. To build and focus this fund, an Environmental Scan was undertaken. The scan included two component: gathering data on the environment of Campbellford/Seymour and consulting the community on their environmental values and priorities.

Strategic Theme: "Building on Our Natural Legacy"

Strategic Goal: CSCF will become a facilitator of increased environmental awareness, education and information in the community and will enable projects that create education, action and change towards a sustainable environmental future.

Please contact the Community Foundation office if you would like a copy of the environmental scan.

PEOPLE, PARTNERSHIPS AND POSSIBILITIES WORKSHOP

Heidi Schaeffer M.Ed., Training Manager, Compass Training Centre, YWCA Peterborough, Victoria and Haliburton and Pamela Brown, OTF, Coordinator co-presented this workshop to over 50 individuals at Pine Ridge Golf Club.

A Toolkit is being developed to assist community leaders to develop and nurture more inclusive mindsets and behaviors in the community. In reference to the feedback from the participants and invitees of the People, Partnerships and Possibilities Workshop, the toolkit will include three categories: Networking and Resources; Effective and Inclusive Partnership; Organizational Health. The final product will be distributed to participants and invitees of the PPP workshop. **Please contact the Community Foundation office if you would like a copy of the toolkit for your Organization.**

MULTI-USE RECREATIONAL FACILITY UPDATE

The Community Foundation has been providing administrative assistance to the MURF Committee due to a grant from the Ontario Trillium Foundation. After a year of work by the consulting team, the committee members and Municipal Staff, the draft report has been completed. The community was consulted throughout the process with two community forums. Details of the Feasibility Study can be obtained at: www.trenthillscommunityfacilitystudy.ca.

CSCF gratefully acknowledges the support for these projects provided by the Ontario Trillium Foundation

A recruitment of new YAC members took place at Campbellford District High School in

November, a record 23 **YOUTH ADVISORY COUNCIL**

individuals came out to the meeting. A brief overview of the programs that YAC is involved with throughout the year was provided and sheets were circulated so that YAC members could sign up to be involved with things that they are interested in.

Programs include:

- HATCH grants
- Earth Day Clean-up
- Concerts in the Park/Movie Nights

We Have Moved

On June 1, 2007, the Campbellford/Seymour Community Foundation moved into a century home in downtown Campbellford at 39 Doxsee Avenue North.

The new office was selected after an extensive search and was chosen based on affordability, location, accessibility, parking, and the layout of rooms required for efficient operation.

President Russ Christianson and greetings from Rick Norlock, MP

Species at Risk Information from the Lower Trent Conservation Authority

Three Schools Participated in a Presentation from the Indian River Reptile Zoo
